

London Qur'an Fest 2025

Kindly go through the following instructions carefully so that we can avoid any setbacks during the competition:

- The Preliminary Round will be conducted online via Zoom. Participants must ensure that the Zoom application is downloaded and installed on their device before the competition.
- The Final Round will be conducted physically at the designated venue. Further details regarding the venue and schedule will be shared with qualified participants in due course.
- Spaces are allocated strictly on a first come first serve basis. Registration for each level will be closed before the deadline on reaching the maximum number of participants for that level switching on your video is mandatory otherwise the participant will be disqualified from the competition.
- Elder female students are required to wear a niqab that covers their face.
- Only the participants will be allowed into the Zoom meeting one at a time. A separate YouTube link will be provided for parents and others to view the competition.
- **Individual time slots and Zoom + YouTube links will be emailed to all participants three days before the competition. If you have not received these, please contact us immediately. It is very important that participants log into the Zoom meeting at the beginning of their allocated time slot. Participants have to remain in the Zoom waiting room and will only be allowed into the waiting room by the moderator one at a time for their turn only. You will be seeing a message similar to below on your Zoom until the moderator lets you into the meeting.**
- The Zoom participant display name must match the participant registered name (for example, if you have registered your child as Misbah Shahul, your Zoom display name should be Misbah Shahul). This is for correct identification and smooth running of the competition.
- Please remove any virtual background from your Zoom video.
- The competition for each level will be for a total duration of 1.5-2 hours. Each participant has been provided with a time slot within this duration and must join on

the Zoom link at the start of the given time. Each participant will then be allowed into the meeting one at a time upon their turn.

- Participants will be asked questions by a panel of expert judges in a child friendly and age appropriate manner.
- Questions can be asked in any of the following 2 ways:
 - i) The name of a Surah will be given and the participants will be asked to recite it.
 - ii) A random ayah from a Surah will be recited by the judge and the participant will be asked to continue.
- The time allotted per participant for each level is as follows:
 - Level 1: 3-4 minutes
 - Level 2: 3-4 minutes
 - Level 3: 5-6 minutes
 - Level 4: 5-6 minutes
- The majority of the marks will be awarded based on Hifz proficiency and accurate recitation with proper Tajweed. A smaller percentage will be allocated for Maqamat (melodic rendition) and overall presentation. A detailed breakdown of the marking criteria will be shared via email prior to the competition.
- If you are shortlisted for the final round but unable to attend in person, you will be disqualified and the participant with the next highest marks will be selected.
- Judges' decision will be final.
- All instructions and procedure will be discussed at the beginning of each level competition so it is necessary for all parents to be listening in on the YouTube link at the start of their respective level.
- We highly recommend the participant to be alone in a separate quiet room during their recitation to avoid any distractions and to ensure clarity.
- **Prompting or helping the participant in any manner will not be entertained and will result in immediate disqualification of the participant.**

- Please make sure you test your Zoom voice and video (microphone and webcam) prior to the competition to avoid any technical complications on the day.
- If participants face any technical challenges during the competition, we request you to please leave and re-join the meeting in order to save any delay for other participants.
- If you require any support before or during the competition, please contact our support team on Mobile: +447917044585, **+918137898323**(WhatsApp), Email academy@alihsan.co.uk.
